MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report  
for FEBRUARY 1970

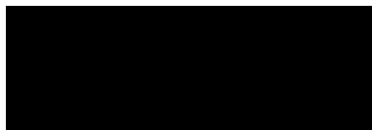

1. The attached tables reflect some of the activities of certain components of the Office of Security during February 1970.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. The overall processing time for an applicant case for February 1970 was reduced from 95 days in January to 89 days for the past month. Analysis of the factors involved reflects that the investigative field time decreased 6 days while SR&CD processing time remained constant at 3 days as did Personnel Security Division time at 8 days.

4. Total Support Man-hours declined for the third consecutive month as compared to the same months for FY 1969. A comparison of statistics reveals Support Man-hours for FY 1970 down 293 hours in December 1969; 2305 hours in January 1970; 4383 hours in February 1970. As a result of the above, the cumulative Support Man-hours for the first 8 months of FY 1970 in comparison to the same period for FY 1969 revealed a decrease of 3870 man-hours.

5. Summer employee cases received during the month were 371 bringing the total number of summer cases received to 495.
